\* Participants outside the state may also join through online mode. Link for joining will be provided on time.

## About the Institution

Jagiroad College is a premier institution of higher education, located at the middle part of Assam. The college was established in the year 1979 and already completed three cycles of NAAC assessment by March 2023. In the third cycle it has been accredited as A+ Grade by NAAC with CGPA 3.26. Initially, it was started with Arts stream only and gradually introduced Science, Commerce and Vocational streams in 1986, 2013 and 2015 respectively.

Since its inception, the College has been maintaining a student friendly academic environment by

undergoing several activities apart from regular classroom teaching. The collaborative approaches of the college fraternity are reflected in the improvement of the NAAC assessment outcomes from B to B+ and then to A+ in the three cycles of NAAC assessment respectively.

This seminar is an initiative of the Research and Innovation Cell of IQAC to focus on different issues related to India's "Viksit Bharat" mission and empower the young academician to achieve the goal within stipulated target through healthy discussion and exchange of views among the stakeholders of within and abroad India.

### Themes and Sub-themes:
