RUSA 2.0/PM-USHA ASSAM SPONSORED FACULTY IMPROVEMENT PROGRAMME (FIP) 2025 ON Cutting Edge Research in the Light of NEP 2020

**Thrust Area:
Frontiers of Research: Sustainability, Technology
and
Indigenous Wisdom**

CONCEPT NOTE

The National Education Policy (NEP) 2020, envisioning a Vikshit Bharat, emphasises on creating a vibrant research ecosystem that is globally competitive, socially inclusive, and rooted in India's cultural wisdom. This Faculty Improvement Programme seeks to advance that vision by fostering cutting-edge research in thrust areas such as sustainability and climate resilience, digital transformation, artificial intelligence, machine learning, biotechnology, health sciences, and inclusive education. It aims to build faculty capacity for interdisciplinary collaboration, innovation, and critical inquiry, while integrating indigenous knowledge systems with modern science to generate context-sensitive and globally relevant solutions. By strengthening research and fostering innovation, the programme aspires to deliver impactful outcomes that balance sustainability with growth, advance technology for societal progress and contribute meaningfully to the transformative goals of NEP 2020.

TOPICS

Research Methodology and Systematic Literature Review in Social and Natural Sciences

Governance and Quality Management in HEI

Biodiversity Conservation, Climate Change and Sustainable Approach in Research in North East India

Intellectual Property Rights, Plagiarism and Patents

Indigenous Knowledge System Digitisation and Skill enhancement

Prospects of Artificial Intelligence, Data Analytics and Machine Learning in Modern Day Research

Bridging Research and Innovations from Laboratory to Community Needs

New Horizon in Interdisciplinary Research

10th and 11th October, 2025

Jagiroad College, Jagiroad

Accommodation will be provided to limited participants. Please contact coordinators in advance
