**Notification on new Uniform
from the session 2026-27**

As decided by the uniform Committee, following colour combinations will be used for college students' uniform to be effective from 2026-27 session.

For Girls:

Students are required to wear a **white kurta** paired with a **red Patiala** and a **red dupatta**. The collar design of the kurta can be either shirt collared designed or a band (mandarin-style) outlined in red, creating a neat contrast against the white kurta. The plackets and end of the sleeves (three quarter) there will be a distinct red band or ribbon detailed. During the winter season, a **black sweater** is permitted as part of the uniform.

For Boys:

Students are required to wear a **light beige full-sleeve shirt** paired with **black trouser**. A tie with a combination of black, beige and red mixed stripes may be worn; however, wearing a tie is not mandatory. During winter, a **maroon sweater** is allowed.

College Badge & Stream Identification:

Each student must carry or display the college badge. The badge will be placed on the uniform, commonly on the chest area (pocket area) for boys and in the arm area for girls.

To distinguish academic streams, the badge colour will vary as follows:

Arts: Beige colour

Science: White colour

Commerce: Maroon colour

B.Voc: Maroon colour

This colour-coding helps in easy identification of students' academic disciplines while maintaining a unified dress code.
